

We . no . we lied crescent on the shore. a ying yang of slovenly bliss. i couldnt see them with their sunglasses on. i couldnt see the whole them, but its fine. it wasn't like me to not be fine.

ssshhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhh

– give it to me in full –

we were graduating. i dont remember. something like graduating. everyone's dressed for an occasion. they're on the other side. they're crying.
cut that make it something else

we fell in the air. pegasus wings burst from our backs. we are invincible.
i stay online just in case they need me for anything. anything at all. im there. im there. im always there.

im always there.

Yellow:

what does yellow say?>? yellow would say something surely. they're just standing there. that colon holds the world in its hands. help me exist yellow. help me exist.

Yellow: we can't belong here. we've been eating the same meal every day. i like wendy's s much as the next giy but this is ridiculous.

the 4 for 4 baconator

Pluto: what are you talking about. we belong nowhere else. this is what we are. this is all we ever have been.

Yellow. ever have been, huh? criminy. get your shit out of your mouth. it doesn't matter when or how we existed for. we're here aren't we? we can be anything, and we're at wendy's.

Pluto: anything...

Yellow: yea anything numbskull, its not my job it's yours

Pluto: but if i fall asleep you die

Yellow: its ok, i dont have much goin for me but my curmudgeony banter. goodnight.

Pluto: goodnight
